REASONS FOR ALLOWANCE

The following is an examiner's statement of reasons for allowance:

Prior arts of record do not disclose an optical means being configured and arranged with respect to a linear scanned array to receive light reflected by the array and redirect said light reflected by said array back onto said array as claimed in claims 1,5,10.

Prior arts of record do not disclose a prism mounted in a housing, said prism having a sample surface facing in an upward direction and accessible through a sample well for receiving a sample substance having a lower index of refraction than said prism; means for providing non-parallel light obliquely incident upon a boundary between said sample surface and said sample substance; a reflective surface mounted within said housing for receiving light after interaction at said boundary; a linear scanned array facing in a downward direction and receiving light reflected by said reflective surface as claimed in claim 12.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
